

Leading Dermatologist promises relief for thousands.

“This will end your psoriasis skin problems in just hours.”

Dr. Christopher Simon, M.D.
Dermatologist

New **PsoriAway** is proven to help relieve your inflamed, red, itchy and scaly skin on contact.

Guaranteed to work for you FAST or it costs nothing.

By Matt Davies, Health Reporter

SPECIAL -- Dr. Christopher Simon, M.D., a leading dermatologist announces a breakthrough in the treatment of psoriasis and skin problems called *PsoriAway*.

According to Dr. Simon, new *PsoriAway* is a revolutionary natural lotion that relieves and controls psoriasis skin symptoms on contact.

In fact, Dr. Simon promises that you will see and feel a dramatic difference in only days. As Dr. Simon puts it, “If you try *PsoriAway*, it will end your psoriasis skin problems in just hours.”

Natural formula proven to work when nothing else does.

Repeated testing shows that *PsoriAway* instantly relieves itching and redness. Plus it immediately starts to control flaking and scaling of dry skin.

Dr. Simon explained that natural *PsoriAway* works its soothing and healing magic on red, itchy skin with a powerful dual action.

First, a super-effective organic moisturizer penetrates the scaly outer layers of your skin to remove the dead, flaky skin. Then *PsoriAway* delivers powerful healing compounds deep into your lower skin layers, leaving your skin soft and smooth in only days.

Doctors and patients rave about PsoriAway.

“*PsoriAway* has been tested by myself and other dermatologists in medical offices and nursing homes with amazing and immediate success!” -- Dr. Christopher Simon, M.D.

“I have used *PsoriAway* on severe Psoriasis patients at both nursing homes and the Neighborhood Clinic. My experience with this new product been excellent.” - Dr. Robert Tober, M.D., FACEP

“I have used *PsoriAway* with great success. I have been able to supply it to a number of patients with Psoriasis. Each of the patients had high

praise for the product.” - William P. Lascheid, M.D., Board Certified Dermatologist

BEFORE

AFTER

“I know there’s no cure for psoriasis. However, *PsoriAway* has been very useful to my wife. It is particular good for scalp lesions and resistant lesions on the skin over joints. I recommend that both patients and physicians add it as a treatment.” - Keith Waterhouse, M.D.

“Many repeat customers have described to us how *PsoriAway* has helped their condition. We definitely recommend *PsoriAway* to any person suffering from psoriasis.” - John & Nancy Wojcik, Pharmacists

**No more expensive prescriptions or steroids.
No more acids or alcohol.**

Unlike expensive prescriptions and dangerous steroids, *PsoriAway* is FDA approved for use without a prescription. And *PsoriAway* is unique because it provides fast, lasting relief without salicylic acid or alcohol, both of which can dry the already fragile skin.
