

FREE Wealth-Builder Kit For Vanguard Investors

Over 2.7 Million Vanguard Investors Are Tossing Away Up to 50% of Their Profits in the WRONG Funds!

Daniel P. Wiener, the nation's leading independent authority on Vanguard funds, founder of the Fund Family Shareholder Association Inc. (FFSA), and investment expert featured in *Barron's*, *Forbes*, *Money*, *The New York Times*, *The Wall Street Journal*, and *USA Today*.

"But here's my secret to safely making BIG money with the RIGHT Vanguard funds."

In 1991, if you had followed my recommendation and invested \$10,000 in Vanguard **Explorer**, your money would have grown to \$15,590. That's a 55.9% gain.

But, had you invested that same \$10,000 in Vanguard **Energy**, your \$10,000 would have "grown" to just \$10,030.

That's more than a \$5,500 difference! And that's why I created the **Fund Family Shareholder Association (FFSA)**, an independent organization that provides thousands of successful members with objective, independent money-making advice and guidance.

It's information you *can't* get from Vanguard or anywhere else. You see, I devote every waking hour to monitoring Vanguard funds, networking with key Vanguard managers, and expanding on what may well be the largest private database of Vanguard information.

Boosting Your Profits Safely!

As a member, you could enjoy returns of 15%, 25%, even more with my specific Vanguard recommendations. Here are just a few recommendations I've recently made:

- Explorer, **up 24.8%** in just 12 months.
- Convertible, **up 12%** in only 10 months.
- Technology, **up 12.8%** in only 2 months.

Get Rid of Portfolio Clutter!

Simplify your Vanguard investing with our easy-to-follow Model Portfolios (Aggressive Growth, Conservative Growth or Conservative/Income). Each holds just three or four funds, eliminating the guesswork associated with Vanguard's 60-plus funds.
