**NEW YORK: FOR IMMEDIATE RELEASE**

Doctors have found a natural herb from Asia that helps overcome the chemical imbalance that keeps people fat.

This has become the #1 choice of famous TV and movie stars to lose weight ... and the public ... with over 1 million people using it to lose over 10 million pounds.

The product is called Berry-Trim Plus, named after the curious-looking purple fruit called brindall berry. It has unlocked the secret to losing all the weight you want, safely, naturally and quickly by turning your body into a super fat-burning machine without dieting, hunger or exercise.

**Triple Weight Loss Power:**

- 1) Gets Rid of Stored Fat
- 2) Prevents Formation of New Fat
- 3) Stops Hunger Dead In Its Tracks.

Brindall berries are naturally loaded with a nutrient called HCT. 7 different clinical studies on 100 subjects showed that HCT from brindall berries cause very rapid and substantial weight loss by reducing fat absorption by 76% and food intake by 43%!

Berry Trim Plus combines this HCT with 8 other key nutrients which, used in conjunction with the 1-page Berry Trim Plus guide, cause fat and inches to melt off of your body.

**Even Works For People Who Love to Eat Fattening Foods!**

The real secret of Berry Trim Plus is that you will lose weight without hunger and without giving up the foods you love. The powerful Berry Trim Plus formula forces your body to convert food into fat-burning energy instead of fat!

When you take one Berry Trim Plus tablet 30 to 60 minutes before eating, it’s like stoking the fat-burning furnace so that whatever you eat gets burned up and eliminated from your body.

**Lose 20 ... 40 ... 80 Pounds or More Faster and Easier Than Ever Before!**

With no new fat being absorbed, your body has no choice but to use up the fat that’s stored on your hips, thighs, belly and behind. Soon, without any effort at all, you have lost pounds and inches just like over 1 million satisfied users of Berry Trim Plus:
