Dear [Jim],

May 1, 2018

I bet you've seen our #1-rated house flipping show on television.

"Hey, I could do that with a little training - that looks pretty easy!" you probably said to yourself.

But, like most people, you have not done it yet because nobody has ever held your hand and shown you how to do your first flip in the most profitable way, and without making the mistakes most beginners make.

Am I right [Jim]?

You are reading this because you are a doer, not just a dreamer. You know financial security and freedom won't come from an employer - it will come from YOU. And you know real estate has improved the financial situation of millions of everyday people.

I'll get right to the point ...

We have made a fortune flipping hundreds of houses ... and now we want to help YOU get started and make a lot of money too.

We know what works best and what doesn't. We know what makes big profits — and what the common (and costly) mistakes are to avoid.

[Jim], at this private event, you will learn these secrets of ours:

(Over please [Jim]...)

- How and where to start
- How to flip many houses for big profits
- Secrets to find good homes in good neighborhoods at rock bottom prices before other investors can bid up the price
- Need money? Credit problems? See how to buy with no money down - and how to get up to \$500,000.00 pre-approved cash to buy real estate regardless of your credit score

Just look at these facts:

- NO experience necessary with real estate or home improvements (you can hire someone if a house needs it)
- \$67,516 average profit per house flipped!*
- Be your own boss - spend more time with your family doing what you want -- instead of making someone else rich and getting burned-out

Our local experts say RIGHT NOW is a GREAT time to profit in the Massachusetts area.

We have teamed up with local sponsors and personal contacts to provide you with secrets to make big money on the side in your spare time, with no experience, and with little or no money down.

This is urgent. Call to confirm your seat now or you will lose it. This is your only notice. You and one (1) guest may attend by calling now; If you are not one of the first 100 to call, you will lose your seat and be placed on our waiting list.
