

Dear (**first name**):

On a beautiful summer evening, two young women graduated from the same high school thirty years ago. They were very much alike, these two young women.

Recently, these women returned to their school for their 30th reunion.

They were still very much alike. Both were happily married. Both had three children. But there was a BIG difference in their HEALTH, and it was the OPPOSITE of what you would think.

One woman was healthy, slim, energetic and looked younger than her age.

But sadly, the other woman was sickly, overweight, fatigued and looked older than her age.

The woman who was sick, tired and overweight did everything "right" like take supplements, eat healthy and exercise, Yet she was sick, constantly fatigued and in pain!

On the other hand, the woman who was healthy, energetic, youthful and slim did NONE of these "correct" things, yet she was the picture of health.

What Made The Difference

(*** first name ***), have you ever wondered, as I have, what make this kind of difference in people's health? It isn't always good genes, or diet, or exercise. It isn't that one person wants good health and the other doesn't.

The difference was ... the healthy woman knew a hidden health secret ... and the sick woman did not.

The difference lies in a health secret the remote Ho Wa Kin people in Asia know and use. (Sadly, in America, not 1 in 1,000 people know it yet.)

The now-healthy woman's name is Lynn. She told me her story, which I repeat to you word for word as best as I can remember:

"I'm in great health now thanks to this secret, but not long ago I suffered from terrible pain, memory loss, headaches, constipation, heart problems, fatigue, anxiety, high cholesterol, high blood pressure, and was 40 pounds overweight.

"My health problems started when I hit age 40. I was doing everything right like taking supplements, eating healthy and exercising, yet I was as sick as a dog with arthritis, fatigue, constant headaches, anxiety and more.

"I was like a hamster on a wheel. I took drug after drug, saw doctor after doctor. Every time I seemed to get better, I fell right back into pain and suffering. I was very depressed.

"I was at wit's end. I needed help, and I needed it now. I had no time to waste.

"I was about to give up until my chance encounter with a lady named Shoma in a nail salon ... "

"One evening I was getting my nails done at the local salon.

"My nail tech's name was Shoma. I must have let on about how terrible my health was. Shoma then replied, 'if you knew the secret I was taught back in the old country, you would not have any health problems.'

"Shoma told me she used to suffer from many health problems just like me, but not anymore.

"She said the secret was NOT anything I would ever read or hear in America, even from natural health experts.

"She said if I really wanted to get better, and if I had an open mind, she would tell me the secret to good health.

(*****Sample*****), then she continued:

"I was skeptical. **But there was something different about this woman I cannot even explain to you.** Since I had nothing to lose, I agreed.

"Shoma said, 'Meet me in the Starbucks next door every day at 9:30 am next week for a half hour and I will teach you how.'

"From that day forward, my life would never be the same again ...

Shoma began my transformation from illness to health at a coffee shop ...

"Shoma started by telling me 'My background is very unique. I lived in many foreign countries before moving here. My father taught me this health secret on my 16th birthday. My father, you should know, was the most famous healing man in his town, and people traveled hundreds of miles to see him.'

"My father used this simple health secret to heal people. I saw these healed people weep, shout out his name in praise, and shower him with gifts. I heard stories of **tumors disappearing, diabetes that had just vanished in the night, crippling pain gone instantly, and health problems of all kinds now gone – even after everything else was tried, and nothing else had worked!**"

"Even though my father was a famous healer, I had forgot the secret he taught me, so my own health began to deteriorate.

"Anyway, like you, I used to go to one doctor after another, take one prescription drug after another, try one vitamin supplement after another, go to one chiropractor and alternative health provider after another."

"You name it – I tried it. But nothing worked."

"I was desperate for a cure. Anyway, I finally remembered the simple secret my father taught me. After I started using it, all my many health problems were gone entirely within just weeks."

"Shoma continued: 'You see, your health has a built-in memory, and right now it is remembering you to be sick with all of your health problems. But here's the good news. You can easily re-load your body to remember when you were healthy, and make you healthy ... just as easy as you load a cd or dvd into the player.'

"A body programmed for health can ONLY be healthy.

"A body programmed for sickness can ONLY be sick.

"The best healers like my father knew this and used this secret; even when nobody else could "figure it out".

(**first name**) you do NOT have to "accept" your health as miserable or out of your control. And you don't have to give up hope and say "its all in the genes" or "its just meant to be".

How else can you explain people like my uncle who smoke cigarettes, drink alcohol, get very little exercise, eat unhealthy ... yet are still enjoying ravenous health into their 90's?

Shoma continued, "The secret of the Ho Wa Kin people is a simple re-loading technique. It's easy, like you would take out a cassette tape or DVD and re-load it into the machine to play it. Push-button ease. Like flipping on a switch.

"When you apply my secret, you will have a new life, a much happier existence where you feel healthy as you want to, energetic as you desire, and excited as you wish.

"You can kiss your health problems goodbye now, as easy as you would say goodbye to store clerk after you have checked out.

"Your cells will strengthen (this is clinically-proven by modern ultrasound), your muscles will firm up, your organs will become more youthful,

"Your fatigue will vanish like water runs down a waterfall.

The Amazing Lost Secret Of Great Health, Young Looks and A Long Pain-Free Life

This letter will prove **YOU can now end your health problems** and add up to 20 extra healthy years to your life. Yes, this letter will change your life.

You see, millions of people suffer and die ... even though a solution already exists for their illnesses. The problem is they never hear about it from the conventional medical establishment or even the "natural health" community.

(**first name**), more supplements or doctor visits are NOT your answer. If supplements and doctors were your answer, you would ALREADY BE healthy.

You have NEVER read or heard ANYTHING LIKE THIS BEFORE -- this is unique and different.

This secret is either unknown or ignored by 99% of doctors and even natural health experts.

To make a long story short, I used Shoma's secret (it so EASY that even a child can do it) and my health began to improve. Amazingly, I started feeling much better on just the second day!

The joint pain that tortured me for years was gone. Then my daily headaches went away. I had an increase in my energy and mood. And within just two weeks, I had lost 14 pounds!

Today I am completely healthy and 100% free of disease. By using Shoma's secret for only a few minutes a day, I just kept getting better and better. My chest pain was gone, and so was my heartburn and digestion problems. My husband even commented I looked good and “ younger”.

The most skeptical people are now believers

I have a cousin named Susan. She calls herself the biggest skeptic in the world. She has suffered with terrible health problems for decades, and nothing has worked to heal her.

The latest news her doctor gave her was heartbreaking. He said she had early-stage Alzheimer's disease. He gave her a drug, Aricept, but Susan never took it because she feared the side effects.

Susan called me and I told her about The Secret I had just learned from Shoma. Of course she was very skeptical. But when I saw her a week later, she said, "I feel so much better already."

On her next doctor visit, memory tests showed a dramatic improvement in Susan's memory! Her doctor was so impressed, he said "whatever you are doing, it is working great, so keep doing it!"

Crying tears of joy. Susan told me, "Modern medicine and alternative health couldn't cure me, but The Secret did!"

Do you know someone who is suffering from memory loss or Alzheimer's? This secret is their solution. Don't let them give up when the solution is here now - even if their doctor says it's "irreversible" or "hopeless".

Modern Science Proves It Works

People with every health problem benefit from The Secret.

It heals where no hope was thought possible before.

The Secret is based on provable scientific tests and double-blind placebo controlled clinical studies published in peer reviewed medical journals! This is the highest "Gold Standard" of medical tests.

(***firstname***), here are some of the health benefits that people have told me about from using The Secret:

- Lose all your unwanted weight faster and easier than you can imagine now (this will amaze you)
- End any addiction (food, snacking, smoking, drugs) easily and virtually overnight!
- Kill off bad cells that are lurking inside your body now
- Keep your mind and memory sharp as a knife as you age
- Become pain-free. Have your joints feel like new again! Incredible relief for your aging / aching joints – powerful relief for your knees, fingers, hips, back, elbows, wrists and fingers
- ... failing eyesight restored ... declining sexual drive turned around ... brittle bones no more

(***Sample ***), this secret will make you healthy and keep you healthy, young and full of energy into your 90's, 100's and longer. It will springboard you into an extraordinary new life of great health.

Starting on the first day, you will begin to feel younger and more energetic. Day by day, you will notice yourself feeling and looking younger and better. Then before you know it, other people will be giving you compliments.

This has been tested and proven in studies on 26,487 people. This is NOT hype. Your doctor should be urging you to do this now, but most likely has never even heard of it because it's NOT a big drug company prescription he or she can write!

This simple, easy-to-do technique will dramatically improve your health – helping avoid and alleviate almost every disease of the human body -- from **heart disease to cancer, clogged arteries, IBS, vision problems, high blood pressure, diabetes, high cholesterol, memory loss, weight gain, Alzheimer's, low bone density, erectile dysfunction, stroke risks, allergies, hypertension, pain relief, chronic fatigue, inflammation, migraines, skin problems, wrinkles, poor sleep, bad digestion, breathing problems** and many more common and serious ailments.

I've seen The Secret turn many very sick and "hopeless" people into the bloom of health. It does this because it gives your body what it needs to get well.

**Let The Secret Give You “A Second Youth”!
Don't Let Your 'Golden Years' Become A Health Nightmare!**

Please don't let your body rot away from the aging process --- taking away your youth and vitality day by day. Cellular aging is like bacteria – it never stops and never sleeps. There is only one way to stop this, on the cellular level, where aging happens. You will soon have healthy cell replication. This way, your organs renew themselves with young vibrant new cells for your heart, skin, brain and other body parts.

The Secret keeps your current cells from dying prematurely ... so you can feel your best, longer than you ever dreamed possible! The Secret fights-off aging everywhere in your body. It works “automatically” ... cell by cell ... every second of every day. It produces health-giving NEW CELLS to every organ in your body.

Don't settle for a life where you are no longer able to enjoy life like you want to. I won't. Don't settle for tired and sick as you age, because now you don't have to. This anti-aging secret “rewrites” all the rules about growing old.

When I'm 90 years old I'm going to look and feel like a much younger person. I will be able to play tennis and travel to exciting places. I'll be going out dining and dancing with friends and family. And I'll still be enjoying sex on a regular basis.

I won't settle for “half a life” full of pain and discomfort. I won't succumb to living in a nursing home. I won't be imprisoned by weak legs and aching joints. And I won't give up to a life without fun and passion. And neither should you!

(***first name ***), modern science has now confirmed what Shoma told me: that every one of our cells has an internal re-load mechanism inside it. This technique will cause your brain to signal every cell in your body to beef up and enhance its internal renewal process so you become more healthy.

This is so simple, even a child can do it. You will be doing this just days from now easily. This works to undo decades of damage to your body from bad diet, stress, lack of exercise, junk food, alcohol, even drugs and smoking.

You will look and feel younger and healthier as your body fights off toxins and boosts your immune system. Your circulation will improve to feel more alive and alert than ever. No more constant exhaustion! You will get sick less often. Your friends will ask, “What in the world are you doing to look so good!” as you are finally able to get past your most annoying and persistent health problems.

The fact that we can now identify and can actually turn off, and reverse, the aging process within our bodies, completely naturally without drugs or radical medical procedures with their unintended consequences and often toxic side effects, but instead through a simple technique that takes less than 5 minutes, is nothing short of a miracle! It may prove to be medicines' most important discovery ever!

For example, you will discover the hidden secret to ...

Be PAIN FREE With No Drugs Or Surgery

If you suffer from arthritis, joint pain, or fibromyalgia -- or know someone who does, you're going to be downright angry with what I'm about to share with you because...

The Ho Wa Kin people discovered exactly why as we age, our bodies – especially our joints, become chronically inflamed bringing on crippling arthritis...

Yet, the giant drug companies have suppressed this joint pain breakthrough ... until we are publishing it now.

The Ho Wa Kin discovered a little-known technique that literally "turns off" pain. This also delivers a long list of amazing health benefits including:

- Reduce inflammation and swelling of joints
- Kill viruses and bacteria which strengthens the immune system
- Cleansing the blood which improves circulation and speeds healing
- Eat away excess scar tissue which improves mobility and flexibility

Yes, the Ho Ka Win secret will show you how to reverse your arthritis in 30 days or less.

Do This Twice Daily to Burn More Belly Fat

There's a way to burn belly fat that has been shown in 15 different research studies to slim your waist at an accelerated rate.

In fact, one breakthrough study showed that those who performed this belly-burning trick just twice daily burned 400% more fat than those who didn't. Another study published in the *Journal of International Medical Research* showed that those using this powerful flab-burning trick lost 20% of their body fat in just 12 weeks. And get this... the trick takes less than a minute to perform!

Would you like to burn 4X more fat by using this quick, belly-busting trick just twice daily? We show you exactly how to do it.

The Secret To A LONG AND HEALTHY

The Ho Wa Kin people in Asia discovered WHY we age and how this process can be reversed with the technique they perfected.

It's finally possible to roll back your aging clock, so you can look and feel decades younger.

Mainstream scientists today think that our maximum lifespan is actually about 120 years, but the key is to live to 120 with optimal health and energy, which is exactly what this youth-stimulating technique unlocks within you. And that means that age 60 is merely middle age.

Imagine yourself in your late 80's happily playing sports, in your 90's hiking around Machu Picchu, getting a second master's degree in music ... and then in your 100's writing a best-selling novel (something you never thought of doing until you were 98!).

THIS SECRET HEALS EVERY TIME – IT HAS TOO. THERE IS NOTHING ELSE THAT CAN HAPPEN. It is built into your very DNA, your cells, your truth, just as surely as water runs downhill and a rock drops when it falls to the ground.

Shoma proved to me the human body has the natural ability to heal itself by simply 're-loading' its amazing inborn healing power.

Incredibly, the aging process built into us by evolution can actually be turned on or off through a simple technique that prompts our brain to signal every cell within our bodies to re-load their internal repair mechanisms.

What about prescription drugs? Shoma told me the many good reasons to be cautious. She thought that modern medicine was just a temporary fix, but usually was much worse and could be extremely dangerous.

The Ho Wa Kin Health Secret breakthrough is completely counter-intuitive to what modern medicine wants you to believe:

Radical anti-aging does not require powerful drugs or medical procedures, with their always dangerous and toxic side effects

(***firstname***) this amazing youth-stimulating technique will let you decide how well and how long you'll live.

Imagine...

- ✓ No more pain.
Avoiding all of the chronic diseases normally associated with aging
- ✓ Living in a perfect youthful body all of your long life.
- ✓ Looking much younger than your actual age

- ✓ Never being overweight.
- ✓ Never catching a cold
- ✓ No gray hair.

Imagine never worrying about heart attacks, strokes or cancer. Imagine never getting sick again. No more colds, flu or headaches.

As we age, our immunity levels decrease. This causes weakened resistance to disease, bone loss, muscle de-toning, wrinkled skin and many of the other unpleasant symptoms of aging. But, this simple technique that takes less than 5 minutes actually stimulates your brain and your body to increase the production of a variety of life-enhancing, youth-rejuvenating hormones, including human growth hormone – a natural and powerful age-reversing hormone.

This simple technique stimulates your immune system. People who employed this technique daily for one month recorded significantly increased levels of infection fighting white blood cells and T-cells.

(***firstname***), employed daily, this will increase your vascularization -- creating tiny new vein-like pathways that did not previously exist to allow your blood to deliver increased oxygen to every cell, including all the cells within your heart muscle. This simple technique also helps avoid, and wash out, plaque buildup. In fact, employing this simple technique can cut your risk of a heart attack in half and more than halve your risk of death from any form of cardiovascular disease.

But, no matter what you suffer from, you can use this amazing youth-stimulating technique to help avoid and alleviate almost any disease or ailment of the human body -- from heart disease and cancer to autoimmune diseases such as MS, Lupus, AIDS; from arthritis inflammation and pain, to high cholesterol, diabetes, high blood pressure, headaches and migraines, stomach and digestion problems, weight gain and obesity, back problems, preventing and smoothing out wrinkles and skin conditions, alleviating allergies and asthma, boosting your energy level, helping vision and eye problems, preventing memory loss, low bone density, IBS, erectile dysfunction, stroke risks, pain, chronic fatigue, poor sleep, breathing problems, colds, menstrual cramps, infertility, fibromyalgia, helping fight off infections, eliminate anxiety, overcome depression as well as other ailments.

In addition, this simple, powerful technique will help to cleanse your liver, kidneys and blood of toxins; wash away excess stomach acid, promote the recovery from ulcers and other stomach discomforts; promote the repair of damaged joints, firm up and help rejuvenating your tissues, muscles, and skin.

This simple yet powerful technique has even been shown to improve perceptual and cognitive abilities, concentration, memory and intelligence, spark creativity. And it can improve sexual stimulation, enhance athletic ability and help overcome addictions. It

also helps to restore and rejuvenate damaged or worn out cells, strengthening muscle tone, enhancing collagen in your tissues and skin, rejuvenating their elasticity -- repairing or removing damaged cells, creating new, healthy, strong cells.

Clinical studies show a definite decrease in disease and illness and a definite increase in longevity. Those practicing this simple technique consistently showed a marked improvement in health and a measurably lower death rate than even those groups that received medications designed to activate their endocrine systems and enhance their health and longevity.

(*****firstname*****) you must realize people have used The Secret end all kinds of health problems: There is a case of one man who used this to help regenerate a knee bone that had previously degenerated due to bone cancer. One patient suffered from eczema on her hands for 23 years, yet used The Secret to end it completely. People have been able to improve their scoliosis, a crooked spine. Others have successfully relieved the terrible pain from kidney stones and gallstones.

And this technique has been used very successfully for weight loss. That is because this simple technique will increase the number of mitochondria inside each of your cells by up to 48%. Mitochondria use oxygen to burn fat and provide your cells with energy. The result is that you will have much more energy throughout the day, and you will burn as much as 48% more fat inside every cell! It not only helps you lose fat, but keeps it off once you do lose it.

Whatever your goal, whether it be prevention, ending a bothersome ailment, enhancing your performance, this simple technique allows you to take charge of your own health and aging process.

(***firstname lastname*****), I must warn you: without The Secret, you will leave yourself vulnerable to** a host of diseases and ailments as you will continually get weaker and weaker with age, less and less disease resistant.

Everyone knows the symptoms of a continually age-deteriorating body: feeling fatigued, being unable to go out at night because you're too tired, becoming completely winded after only a couple minutes of physical activity. Even simple activities will begin to tire you out. Eventually, just sitting all day will cause you to become tired and fatigued. ... this is what your body will do unless you change it with this simple, easy-to-do technique.

The breakdown and chronic ailments that occur with age can be prevented, even reversed, without dangerous drugs and their toxic side effects. This simple technique increases the strength and the efficiency of all the essential systems within your body, forming a barrier against major diseases that otherwise are almost guaranteed to beset one with increasing age. These simple technique used daily will help ward off a tremendous amount of age-related disease and chronic ailments.

And realize that all of the amazing benefits of this special technique have actually been proven repeatedly in scientific, clinical studies we will send you.

I feel very sad for people who ARE doing the so-called “right things” for their health like eating healthy and getting enough exercise, even taking nutritional supplements, but are still suffering. You see, **THAT IS NOT ENOUGH!** You also need Shoma's secret of the Ho Wa Kin people of Asia!
