Introducing ACT! Mobile Link

Use with
ACT! 2.0
for Windows

Imagine how effective your sales group would be ... if every one of their sales activities was backed by the total, synergistic strength of other mobile sales people ... and the office.

That means accurate, up-to-date contact information ... all the latest marketing and sales documents ... pricing ... you name it.

All accessible with a few swift keystrokes that allow you to instantly exchange contact information with the office ... from the convenience of their laptop or notebook.

Just think of the mixups they would avoid. The sales ammunition you'd have.

And the way your group sales curve would skyrocket.

ACT! Mobile Link: Your Link to the Office

That's exactly what ACT! Mobile Link will do for

you. It will give you up-to-the-second information on each of your sales reps. Whether they are down the block ... or across the country.

ACT! Mobile Link works in tandem with ACT!

... the world's top-rated, best selling contact manager.

Keep everyone in the loop... automatically

When you enter contact information, ACT! Mobile Link will distribute it automatically.

So everyone who needs to know, is "in the loop" on contact information ... notes ... histories ... ongoing

Link your entire sales group ... and get accurate, up-to-date sales information at your fingertips, *any time.*

activities ... or anything else to help them make the next sale.

Electronic Literature Rack™

With ACT! Mobile Link's Electronic Literature Rack, your people will never wait for the latest sales and marketing literature. They will be able to access 24 hours a day, current price lists ... fact sheets ... presentations ... emergency updates ... or anything else you feel they need. Your group will never wait for the latest sales and marketing literature again.

And they can access the information from anywhere.

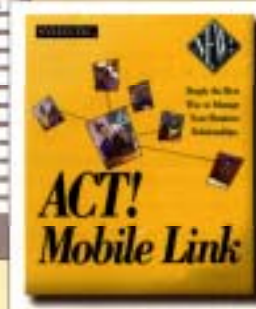

Protect your data from outsiders

With ACT! Mobile Link, your valuable central database is safe from outsiders. Only authorized users

can access and exchange data. Plus, if a computer gets lost or damaged, information can be restored easily.

Totally Easy

ACT! Mobile Link installs quickly and is easy to use. With a single menu item, data can be sent and received. There's an optional Email feature, ... and you'll receive all the software you'll need to integrate smoothly with other Email packages you may have.

Order now... and get a FREE bonus

If you've looked at the expensive custom Sales Automation solutions ... you'll be *astonished* at ACT! Mobile Link's low price. It's just \$299.95 ... just \$99.98 per user. That's a tiny investment, considering what it can do for their sales curve. Plus, if you order now you'll get *Crystal*
